

2023 Outing Packages

Due to the demand for tee times and outing reservations, a signed contract must be executed to reserve Landis Creek Golf Club for your event. Please read the Outing Contract and the Outing Services page before returning with your deposit, there have been changes made from previous years. ***In particular, the final head count due seven days prior to the event becomes the guaranteed minimum for billing purposes.*** It is our recommendation that you collect fees in advance of your event to cover last minute cancellations and no shows. The **Outing Invoice must be settled on the day of the event.**

Depending on the number of players and the time/day of the week, you may reserve the golf course on a tee time, modified shotgun or full shotgun format. The requirements of each are listed on the Outing Services page, but depending on the time of year this can be adjusted.

After reviewing the enclosed materials, please contact Jason Hilz to discuss your reservation.

The return of this signed contract, along with your deposit check (made payable to Landis Creek GC) will confirm your event date and time. The deposit is fully refundable if cancellation notice is given at least (21) days before the day of your event. If you have any other questions or concerns, please contact the undersigned.

Sincerely,

Jason J. Hilz
